

CURRICULUM VITAE

May, 2014

Ofelia Betancor Cruz

Applied Economics Department
Facultad de Economía, Empresa y Turismo
Universidad de Las Palmas de Gran Canaria
Campus Universitario de Tafira.
35017 Las Palmas de Gran Canaria

Phone: +34-928-458193 Fax: +34-928-458183

E-mail: obetancor@daea.ulpgc.es

I. Personal Information

Date of Birth: 06/03/1967

Birthplace: Las Palmas de Gran Canaria

II. Academic Background

Degree	Institution	Date
PhD in Economics	Institute for Transport Studies University of Leeds	2011
PhD in Economics	Facultad de CC. Económicas y Empresariales University of Las Palmas de Gran Canaria	1998
MSc in Economics	Queen Mary and Westfield College University of London	1993
First Degree in Economics and Business	Facultad de CC. Económicas y Empresariales University of La Laguna	1989

III. Current Position

Position	Institution
Associate Professor	Department of Applied Economics University of Las Palmas de Gran Canaria
Researcher of the Transport Economics Area	Chair FEDEA-Abertis Fundación de Estudios de Economía Aplicada
Member of Research Group	Economics of Infrastructure and Transport Research Group University of Las Palmas de Gran Canaria

IV. Research Fields

- Transport Economics.
- Economic Assessment of Transport Projects.
- Economic Regulation in Transport Markets.

V. Participation in R&D Projects

2013-2015. Coordination of Project : “Evaluación de políticas en mercados en infraestructuras aéreas- EVA-AIR”. Subprograma de proyectos de investigación fundamental no orientada. Convocatoria 2012 . Ministerio de Economía y Competitividad. ECO2012-39277. Leader: ULPGC.

2012-2014. Participation in project: “Impact of Transport Infrastructure on International Competitiveness of Europe (I-C-EU)”. FP7-TPT-2012-RTD-1. European Commission. Leader: TM Leuven.

2012. Participation in project: “Caribbean Regional Strategy on Freight Logistics, Maritime Transport and Trade Facilitation. RG-T1458. Inter-American Development Bank. Leader: IDOM

2009-2011. Coordination of project AERO-AVE (Integración del transporte aéreo y la alta velocidad ferroviaria: impactos sobre accesibilidad y medio ambiente). Plan Nacional e Investigación Científica, Desarrollo e Innovación Tecnológica 2008-2011. Ministerio de Ciencia e innovación. Leader: FEDEA.

2008-2010. Participation in project “Evaluación socioeconómica y financiera de proyectos de transporte”. Ministerio de Fomento (Convocatoria CEDEX 2007 de ayudas a proyectos de I+D+i en infraestructuras y transporte, en el marco del Plan Nacional de I+D+i 2004-2007 al amparo de los objetivos establecidos en el PEIT 2005-2020. (BOE nº 91 16-abril-2007). Leader: ULPGC.

2006-2008. Participation in project DIFFERENT (Differentiation of charges and tolls). European Commission. Leader: Napier University.

2006. Participation in project “Manual de Evaluación Económica de Proyectos de Transporte” for the Inter-American Development Bank (IDB). Leader: ULPGC.

2005-2007. Participation in project “Análisis y tratamiento de las externalidades en las infraestructuras y servicios de transporte”. CICYT. Leader: ULPGC

2005. Head of the project “Estudio sobre los puertos canarios y sus hinterlands, las autopistas marítimas y el transporte aéreo en Canarias”. CES. Gobierno de Canarias.

2005. Participation in project AIRREG (Air Transport Regulations). European Commission. Leader: Oxford University (Transport Studies Unit).

2004-2005. Participation in project HEATCO: “Developing Harmonised European Approaches for Transport Costing and project assessment”. European Commission. Leader: Stuttgart University.

2003-2005. Participation in project: “Análisis de la Movilidad en el Espacio Canarias-Azores-Madeira”. Community Initiative INTERREG B 2000-2006. Leader: ULPGC.

2002-2005. Participation in project SPECTRUM (Study of Policies Regarding Economic Instruments Complementing Transport Regulation and the Undertaking of Physical Measures). European Commission.
Leader: Institute of Transport Studies, University of Leeds (UK).

2003-2004. Head of project: “Un análisis comparativo de algunos enfoques metodológicos para medir la eficiencia en las infraestructuras aeroportuarias”. ULPGC Program.

2000-2002. Participation in GROWTH Project GRD1-1999-11157 UNITE: “Unification of accounts and marginal costs for transport efficiency”. European Commission. Leader: Institute of Transport Studies, University of Leeds (UK).

21-26 February, 2000. Participation in World Bank mission to Bolivia as specialist in air transport.

10-15 January, 2000. Participation in World Bank mission to Dominican Republic as specialist in air transport.

1999-2000. Responsible of the Transport Area in the project “Gran Canaria Siglo XXI, formulación y selección de estrategias”. Cabildo de Gran Canaria.

1997-1998. Participation in project “Regulation of transport services and infrastructures”. Economic Development Institute (World Bank).

1997. Participation in project “Políticas de Transporte para la Economía Canaria y la ZEC”. Consejo Económico y Social. Gobierno de Canarias.

1996-1998. Participation in Project No: ST 96 - SC 172: “Pricing European Transport Systems (PETS)”. Leader: Institute for Transport Studies (University of Leeds, UK).

1994. Participation in project “Efectos de la desregulación del transporte aéreo en España”. FEDEA (Banco de España).

1993. Participation in project “El sector transporte y el grupo INI”. Fundación Empresa Pública. Madrid.

VII. Participation in Congresses

“Impacts of infrastructure projects on competitiveness”, with Jan Kiel, Barry Ubbels, Joko Purwanto, Christophe Heyndrickx, Ofelia Betancor, Pilar Socorro, Aday Hernández, Martijn Smit, Barbara Pawlowska, Ralf Fiedler. *Transport Research Arena*, 14-17 April 2014. Paris (France).

“Subsidies for resident passengers in air transport markets”, with Jorge Valido, Pilar Socorro and Aday Hernández. *Workshop prior to the European Aviation Conference, University of St. Gallen*. 13th November 2013.

“The role of wider economic impacts in the assessment of transport infrastructure investments in Europe”, with Aday Hernández and Pilar Socorro, *IATA workshop on The Effects of Air Transport on the Economy – How can we Evaluate Them?* 11-12 November 2013, Geneva (Switzerland).

“Subsidies for resident passengers in air transport markets”, with Jorge Valido, Pilar Socorro and Aday Hernández. *13th World Conference on Transport Research (WCTR)*. 15-18 July 2013. Rio de Janeiro (Brazil).

“Trade-offs between environmental regulation and market competition: airlines, emission trading systems and entry deterrence”, with Cristina Barbot, Pilar Socorro and Fernanda Viacens. *13th World Conference on Transport Research (WCTR)*. 15-18 July 2013. Rio de Janeiro (Brazil).

“Trade-offs between environmental regulation and market competition: airlines, emission trading systems and entry deterrence”, with Cristina Barbot, Pilar Socorro and Fernanda Viecens. *III Workshop on Transport Economics Economic analysis of transport and the environment*. Barcelona (Spain), 27 May 2013.

“Optimality of environmental policies in air transport markets and changes in the schedule delay: a theoretical approach”, with Pilar Socorro. *19th International Symposium on Transportation and Traffic Theory (ISTTT)*. 18-20 July 2011. Berkeley (USA).

“Optimality of environmental policies in air transport markets and changes in the schedule delay: a theoretical approach”, with Pilar Socorro. *IDEAS 20 years*. 11th June 2011. Barcelona (Spain).

“When trains go faster than planes: the strategic reaction of airlines in Spain”, with Juan Luis Jiménez. *51st European Congress of the Regional Science Association International and 37th Spanish Regional Science Association Conference*. 30 August - 3 September 2011. Barcelona (Spain).

“Subsidies to air transport passengers: efficiency of the European policy practice”, with María Cabrera. *7th International Forum on Air Transport in Remoter Regions*. 5-7 April 2011. Newquay (United Kingdom).

“Optimal environmental policy in air transport markets”, with Pilar Socorro. *GARS TU Dresden Workshop: Airports and the environment. How to balance economic and environmental concerns*. 23-24 November 2010. Dresden (Germany).

“Air transport and high speed rail: assessment of cooperation and competition strategies under a cost benefit approach”, with Agustín Alonso. *European Transport Conference*. 11-13 October 2010. Glasgow (United Kingdom).

“Optimal environmental policy in air transport markets”, with Pilar Socorro. *12th World Conference on Transport Research (WCTR)*. 11-15 July 2010. Lisbon (Portugal).

“When trains go faster than planes: the strategic reaction of airlines in Spain”, with Juan Luis Jiménez. *14th Air Transport Research Society (ATRS)*. 6-9 July 2010. Porto (Portugal).

“Air transport and high speed rail: assessment of cooperation and competition strategies under a cost benefit approach”, with Agustín Alonso. *14th Air Transport Research Society (ATRS)*. 6-9 July 2010. Porto (Portugal).

“Subsidies to air transport passengers: efficiency of the European policy practice”, with María Cabrera. *14th Air Transport Research Society (ATRS)*. 6-9 July 2010. Porto (Portugal).

“Air transport and high speed rail: assessment of cooperation and competition strategies under a cost benefit approach”, with Agustín Alonso. *2010 German Aviation Research Society (GARS) Junior Researchers’ Workshop at the VU University Amsterdam*. 1-3 July 2010. Amsterdam (Netherlands).

“Subsidies to air transport passengers: efficiency of the European policy practice”, with María Cabrera. *2010 German Aviation Research Society (GARS) Junior Researchers’ Workshop at the VU University Amsterdam*. 1-3 July 2010. Amsterdam (Netherlands).

“Welfare effects of the allocation of airlines in different terminals”, with Pilar Socorro. *1st Madrid Workshop on Transport Economics*. 10th October, 2008. Madrid.

“Welfare effects of the allocation of airlines in different terminals”, with Pilar Socorro. *35 Conference of the European Association for Research in Industrial Economics*. 4-6th September 2008. Toulouse (France).

“The costs of a peak load demand: an application to Gran Canaria Airport”, with Juan Luis Jiménez and Pilar Socorro. *12th Air Transport Research Society World Conference*. 6-10th July 2008. Athens (Greece).

“The costs of a peak load demand: an application to Gran Canaria Airport”, with Juan Luis Jiménez and Pilar Socorro. *XI Encuentro de Economía Aplicada*. 5-7th June 2008. Salamanca (Spain).

“The costs of a peak load demand: an application to Gran Canaria Airport”, with Juan Luis Jiménez and Pilar Socorro. *Competition and Regulatory Policy Workshop*. Fundación Rafael del Pino. April 2008. Madrid. (poster).

“The costs of the no differentiation: an application to Gran Canaria Airport pricing policy”, with Juan Luis Jiménez and Pilar Socorro. *Competition and Regulatory Policy Workshop*. University of Las Palmas de Gran Canaria. 25-26th January 2008. Las Palmas de Gran Canaria.

“Welfare effects of the allocation of airlines in different terminals”, with Pilar Socorro. *Competition and Regulatory Policy Workshop*. University of Las Palmas de Gran Canaria. 25-26th January 2008. Las Palmas de Gran Canaria.

“Pricing and user behaviour: the DIFFERENT project. Conclusions from Airport Case Studies”. *IMPRINT-NET Second Conference*. Implementing Pricing Reforms in Transport. 16th October 2007. Brussels.

“Optimal environmental policy in transport: unintended effects on consumers’ generalized price”, with Pilar Socorro. *The 11th World Conference on Transport Research*. 24-28th June 2007. University of California, Berkeley.

“Optimal environmental policy in transport: unintended effects on consumers’ generalized price”, with Pilar Socorro. *XXXI Simposio de Análisis Económico Oviedo*. 14-16th December 2006.

“Optimal environmental policy in transport: unintended effects on consumers’ generalized price”, with Pilar Socorro. *4th Annual Conference on Railroad Industry Structure*. 19-21th October 2006. Madrid.

“Optimal environmental policy in transport: unintended effects on consumers’ generalized price”, with P. Socorro. *5th Conference on Applied Infrastructure Research (INFRADAY)*. 6-7th October 2006. Berlin.

“Dealing with externalities at airports”. *IMPRINT-NET Air Transport Expert Group*. 29th September 2006. Brussels.

“Analysing mobility in peripheral regions of the European Union: the case of Canarias-Madeira-Azores”. With C. Román, J.C. Martín, R. Espino and G. Nombela. *XIV Congreso Panamericano de Ingeniería de Tránsito y Transporte*. 20-23th September 2006. Las Palmas de Gran Canaria.

Participation in panel at the *European Conference on ASD (air services development)*. 3-4th November 2005. Santa Cruz de Tenerife (Spain).

“Airport charges: an application of Madrid Barajas”, with Juan Carlos Martín. Italian Regional Science Association. *AISRe XXVI Conferenza Italiana di Scienze Regionali*. 17-19th October 2005. Naples.

“Social costs of noise at Madrid-Barajas airport”, with Juan Carlos Martín. Seminar from Institute for Transport Studies. 7th October 2005. University of Leeds.

“Social costs of noise at Madrid-Barajas airport”, with Juan Carlos Martín. *European Transport Conference*. 3-5th October 2005. Strasbourg.

“Social costs of noise at Madrid-Barajas airport”, with Juan Carlos Martín. *8th NECTAR Conference*. 2-4th June 2005. Las Palmas de Gran Canaria (Spain).

“Evaluating different pricing policies on social welfare. An application to Madrid Barajas”, with Juan Carlos Martín. *8th NECTAR Conference*. 2-4th June 2005. Las Palmas de Gran Canaria.

“Multicriteria approach to analyse the relationship between service and safety quality in the US airline industry”, (with Juan Carlos Martín and Concepción Roman). *XXIX Reunión de Estudios Regionales*. 27-28th November 2003. Santander (Spain).

“La cuenta social de la carretera en España: metodología y resultados”, with Gustavo Nombela. *Jornada Española para la difusión del Transporte Marítimo de Corta Distancia en el Sector del Transporte Terrestre*. 21th October 2003. Valencia (Spain).

“Airport Congestion in the EU: More Investment or Better Pricing?”, with Gustavo Nombela and Ginés de Rus. *2nd Berlin Workshop on Applied Infrastructure Research*. 11th October 2003. University of Technology. Berlin.

“Multicriteria approach to analyse the relationship between service and safety quality in the US airline industry”, (with Juan Carlos Martín and Concepción Roman). *7th World Conference of Air Transport Research Society*. 10-12th July 2003. Toulouse (France).

“La Cuenta Social de la Carretera en España: ¿permiten impuestos y peajes cubrir los costes?”, with Gustavo Nombela). *Seminario sobre Road pricing: de la teoría a la práctica*. September 2002. University of Valencia.

“Mohring effects for Air Transport”, with Gustavo Nombela. *XXVII Reunión de Estudios Regionales*. 28-30th November 2001. Madrid.

“Evaluation of Congestion Costs for Madrid Airport (1997-2000)”, with Gustavo Nombela and Ginés de Rus. *IV Encuentro de Economía Aplicada*. 2001. Reus (Spain).

“European Airlines Marginal Costs”, with Gustavo Nombela. *IV Encuentro de Economía Aplicada*. 2001. Reus (Spain).

“Infrastructures Privatization: New Options for Competition in Ports and Airports”, with Lourdes Trujillo. *40th Congress of the European Regional Science Association*. 2000. Barcelona (Spain).

“European Air Transport Deregulation: A Panel Data Approach”, with Javier Campos. *8th World Conference on Transport Research*. 1998. Antwerp (Belgium).

“Seguridad en transporte aéreo, tarifas y beneficios empresariales: un análisis empírico”. *I Encuentro de Economía Aplicada*. 1998. Barcelona (Spain).

“Las infraestructuras aeroportuarias: una visión de los diferentes modelos de propiedad y gestión”, with

Roberto Rendeiro. *1ª Conferencia Internacional sobre Transporte Aéreo en los Territorios Insulares*. 1998. Gran Canaria (Spain).

"An empirical model of Air Transport Safety". *Second World Congress. Safety of Transportation*. 1998. Delft University of Technology. Delft.

"Safety and Air Fares". *First Air Transport Research Group Conference*. 1997. Vancouver (Canada).

"European Air Transport Deregulation: A Panel Data Approach", with Javier Campos. *First Air Transport Research Group Conference*. 1997. Vancouver (Canada).

"Economic Aspects of Air Transport Safety". *3rd NECTAR Euroconference*. 1996. Mons (Belgium).

"Un modelo de seguridad en transporte aéreo". *V Congreso de Economía Nacional*. 1995. Las Palmas de Gran Canaria (Spain).

"Efectos de la desregulación del transporte aéreo en España", con J.D. Jorge-Calderón. *XX Reunión de Estudios Regionales*. 1994. Las Palmas de Gran Canaria (Spain).

VIII. Participation in Conferences and Seminars

Markets, Risks and State: What Policy Mix will work best?

Institution: European Aviation Conference
Date: 15 November 2013
Place: St. Gallen (Switzerland)
Activity: Round table

When trains go faster than planes: the strategic reaction of airlines in Spain

Institution: Institut d'Economia de Barcelona
Date: 13 March 2012
Place: Barcelona
Activity: Seminar

Las infraestructuras de transporte en Canarias: el papel de la evaluación económica

Institution: Real Sociedad Económica de Amigos del País de Tenerife. Seminar Planeta Tierra
Date: 14 June 2010
Place: Santa Cruz de Tenerife
Activity: Conference

Las conexiones de Canarias con el exterior. ¿Qué podemos decir los economistas?

Institution: Asociación para el Progreso de la Dirección. La Estratégica Autopista Aérea de Canarias: Nuestra Dependencia Exterior.
Date: 24th April 2009
Place: Santa Cruz de Tenerife

Activity: Conference

Los modos de transporte: sus cuentas

Institution: Universidad de verano Rovira i Virgili
Date: 4th July 2005
Place: Reus
Activity: Conference

Política y regulación en transporte aéreo
